

Notice of Public Meeting

regarding

River Restoration on the Lower Musconetcong River

with a focus on the Finesville area

Tuesday, December 2, 2008

6:30 to 9:00 p.m.

Bloomsbury Fire Company

RiverView Banquet Facility

91 Brunswick Ave.

Bloomsbury, NJ

USDA, Natural Resources Conservation Service is developing an environmental assessment of the lower portion of the Musconetcong River with a focus on the Finesville area. Agencies and organization working with NRCS in this process include Musconetcong Watershed Association, National Oceanographic and Atmospheric Administration (NOAA), US Fish & Wildlife Service (FWS), American Rivers (AR), North Jersey Resource Conservation and Development (RC&D), Trout Unlimited (TU), NJDEP-Division of Fish & Wildlife (DFW), National Park Service (NPS), private landowners and others.

**Public input will help identify local concerns regarding restoration.
Community leaders and residents are encouraged to attend.**
